## 'The Big Fisherman' Booked At Drive-In Through Tuesday

Big is a proper word for Rowland V. Lee's multi-million dollar screen version of "The Big Fisherman" filmed in color by Technicolor.

"The Big Fisherman" is showing at the Hamlin Drive-in through Tuesday.

It is based on the big-selling (1 million) novel by Lloyd C. Douglas and has been translated into 20 different languages.

The story concerns the biggest man involved in the founding of Christianity: Simon, so huge, he was known throughout the Holy Land as the Big Fisherman until he became St. Peter.

The cast is one of the biggest assembled for a Hollywood production, with 26 principal roles, 88 other speaking parts and 450 extras. Heading the list are:

Howard Keel, John Saxon, Susan Kohner, Martha Hyer, Herbert Lom, Ray Stricklyn, Alexander Scourby, Rhodes Reason, Beulah Bondi and Jay Barney.

The cast is so big that a special assembly line had to be devised to process it each morning for wardrobe, make-up and hairdressing. Manning this assembly line were 22 make-up artists, 25 hairdressers and six body makeup people — more than there are in the casts of most pictures.

Nearly 6000 property items (moveable objects) were used in "The Big Fisherman," the biggest number ever gathered for a single Hollywood production. They range in size from Simon's 40-foot fishing boat to tiny Roman coins.

Seventy three major sets—the biggest number ever used to background a motion picture since before the war—were necessary for "The Big Fisherman."

There were 750 individual costumes used by the cast of "The Big Fisherman," as big an order as has been gathered for one picture in many a day. Designed by Renie, many of them are made of silks from Damascus and hand-loomed cottons and wools from Egypt.

### Cub Scout Pack 43 to Meet May 16

Cub Master Guy Weaver in making this announcement, urged all cub scouts, their parents, and incoming den mothers to make a special effort to attend this important meeting.

## First of Monthly Baptist Youth Meetings Set for Saturday

Saturday night, May 14, marks the initial meeting of the Jones County Youth Rally. This meeting will be the first of monthly events for young people of Jones County. Even though this movement is sponsored by the Jones County Baptist, it is for all the young people of Jones County and any other communities.

The Youth Rally will be held at Hanna Baptist Church, located 5 miles northwest of Anson on the Anson-Hamlin Highway, at 7:30 p.m.

Rev. Paul Tatum, pastor of Hanna Baptist Church, is chairman of the youth organization and Rev. Tatum will conduct the meeting.

Steve Ateek, Hardin-Simmons freshman student from Nazareth, Israel, will be the principal speaker. Steve is 23 years of age and is a native of Israel, being born in Beit-Shean, Israel. During the War Era in Israel, his family moved to Nazareth, a city populated with 23,000 Arab people and his family lives there at the present time.

Steve attended the Nazareth Baptist School of which Mr. Herman Petty of Texas is principal. After graduation, Steve worked in the office of the school as sec. to Mr. Petty, who encouraged him to attend Hardin-Simmons in Abilene, Texas. After working three years for Mr. Petty, things took a bright outlook. Mr. Petty came home to Texas on furlough and obtained a scholarship for Steve in H-SU. In July of 1959, a long journey began for Steve, for he came to America to study for the ministry in order to better help his own people. Steve has spoken in so many different churches and on so many occasions that he has lost count of them. Steve is very talented on the piano or the accordion. He will thrill and inspire his audience with his message and abilities, so Young People are urged to attend this youth rally and hear this native of the Holy Land.

After the message, Don Timberlake, formerly of Stamford, will be in charge of the recreation. All Young People are urged to attend.

New births recorded at the Hamlin Memorial Hospital during the past week include three boys and one girl.

Mr. and Mrs. Silas Hahn of Aspermont are parents of a boy, Jerry Doyle, who was born May 1 and weighed 6 lbs. 13 oz.

## Stamford Lanes Set Open House This Saturday

The most modern bowling lane between Abilene and Wichita Falls will hold open house this Saturday, May 14. The Stamford Lanes, in Stamford, opened this past weekend with 14 lanes all equipped with automatic pin spotters.

Sam Hopper, manager, said this week that although the lanes are located in Stamford to serve as many people as possible, he wants the people of Hamlin to feel that the lanes are theirs. He invites the bowlers and non-bowlers of this area to attend the open house.

The first 200 ladies to attend the open house will be given free orchids. Free refreshments will be served all day Saturday.

Three door prizes will be awarded during the open house. The door prizes include a bowling ball, bowling shoes and bowling bag. It is not necessary to be present to win one of these prizes.

In addition to the new building and new equipment, a new modern restaurant will be in operation.

### Coin Club to Meet

The regular monthly Tri-County Coin Club Meeting will be held at 7:30 p.m., Thursday, May 12, in Nat's Cafe, Stamford, Texas.

All coin club members and interested collectors are invited to attend.

The Rev. Dynstra of Sweetwater and Bob Tatum of Abilene are scheduled speakers.

To the man who  
may have stopped  
looking ahead

(without really meaning to)

You're not the sort of man who deliberately closes his eyes to the future. Not at all. In fact, you started buying U. S. Savings Bonds because you knew they could mean a better life for you and your family in the years ahead.

But then something happened. For one reason or another, you lost the Savings Bond habit.

And yet today there is more reason than ever to invest in Bonds.

And millions of Americans know it. The amount of money they own in Bonds is at an all-time high—over 42½ billion dollars.

Americans know that regular saving is the surest road to a secure future. And there's no better, safer, easier way to save than with U. S. Savings Bonds.

Think it over. Isn't it time you got back into the Savings Bond habit—and started looking ahead again?

We're bending over backwards right now to make Valiant an even better money-saving proposition than usual. But any day would be a great day to buy Valiant. Because Valiant happens to be a great car. And not just for looks and pinching pennies. Valiant has a hefty inclined engine that whips up 101 hp and nurses gas to boot. A ride that's as great cross-country as it is around town. Plus room for a family of six and their luggage, too (the only place Valiant packs people is into our showrooms!). Yep, Valiant's the one economy car you don't need two of. Unless you just can't decide between a Valiant sedan and a Valiant wagon. So you might want to buy two Valiants.
